

<p>HEAD</p>	<p>HEAD</p>  <p>Before uploading please ensure your designs meet the <a href="#">Artwork Guidelines.pdf</a> Incorrectly prepared artwork may cause delays and/or incur additional charges.</p> <p>PLEASE NOTE:</p> <p>All artwork <b>MUST</b> extend 3mm past the cut line to the bleed line (pink dotted line). All text <b>MUST</b> be converted to outlines to avoid font issues.</p> <p>WE RECOMMEND:</p> <p>Minimum text size should be no less than 6pt.</p> <p>For best results we recommend that background designs span across adjacent panels. Alternatively when using separate panel designs ensure graphics meet exactly on the fold lines with no gaps.</p>
