Before uploading please ensure your designs meet the [Artwork Guidelines.pdf](#)  
 Incorrectly prepared artwork may cause delays and/or incur additional charges.

PLEASE NOTE:

All artwork **MUST** extend 3mm past the cut line to the bleed line (pink dotted line).

All text **MUST** be converted to outlines to avoid font issues.

**DO NOT** flatten template layers into artwork.

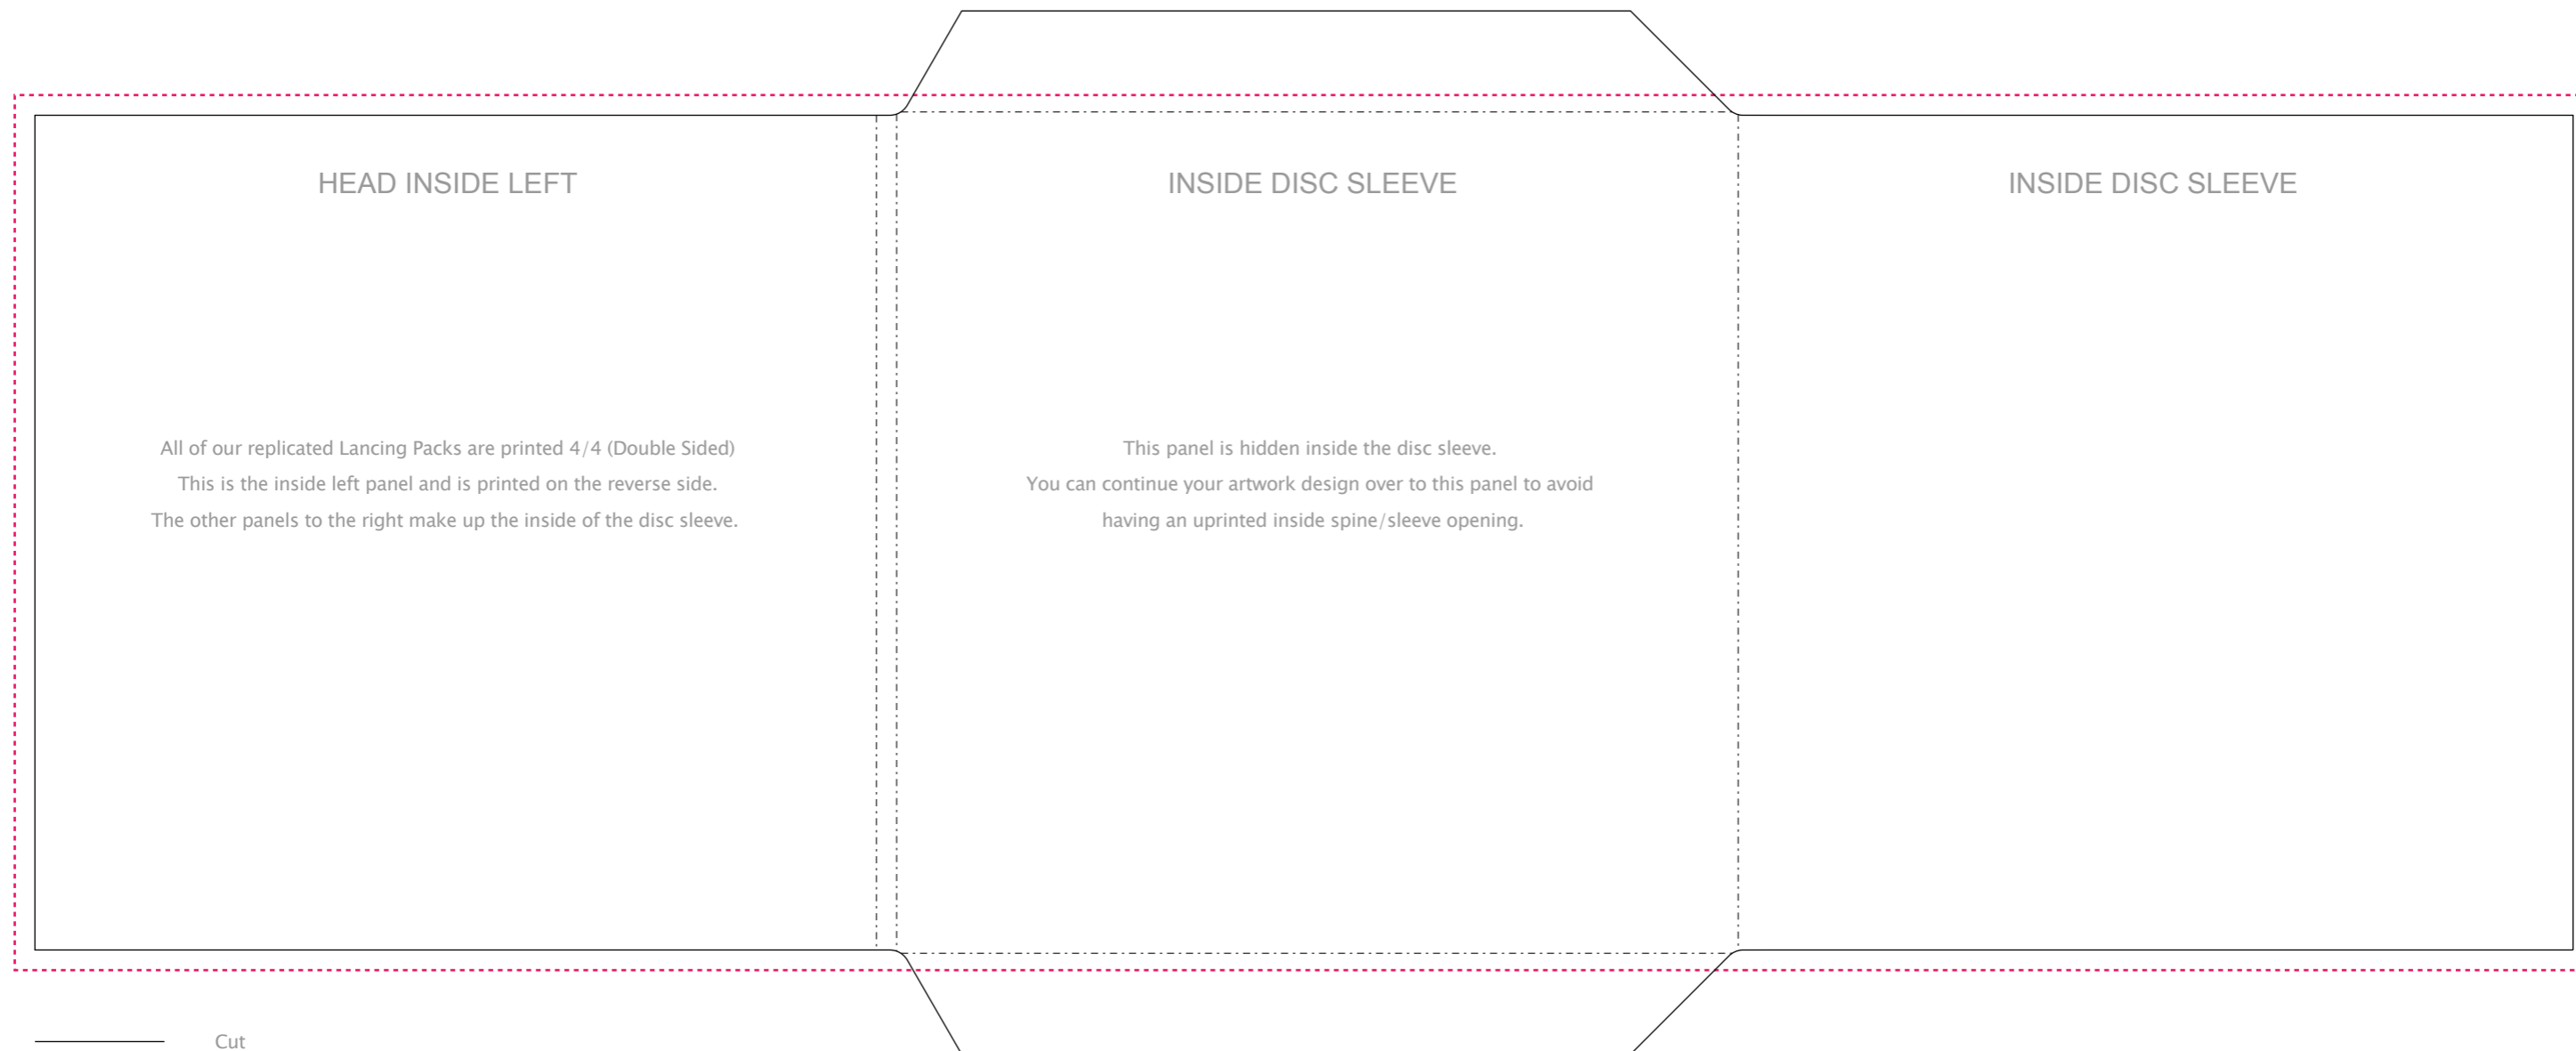

Avoid text or graphics closer than 3mm to die cut edges.

CMYK colour mode.

Minimum resolution 300DPI.
