Before uploading please ensure your designs meet the [Artwork Guidelines.pdf](#)
Incorrectly prepared artwork may cause delays and/or incur additional charges.

PLEASE NOTE:

- All artwork MUST extend 3mm past the cut line to the bleed line (pink dotted line).
- All text MUST be converted to outlines to avoid font issues.
- DO NOT flatten template layers into artwork.
- Avoid text or graphics closer than 3mm to die cut edges.
- CMYK colour mode.
- Minimum resolution 300DPI.
