

Before uploading please ensure your designs meet the [Artwork Guidelines.pdf](#)
 Incorrectly prepared artwork may cause delays and/or incur additional charges.

PLEASE NOTE:
 All artwork MUST extend 3mm past the cut line to the bleed line (pink dotted line).
 All text MUST be converted to outlines to avoid font issues.
 DO NOT flatten template layers into artwork.
 Avoid text or graphics closer than 3mm to die cut edges.
 CMYK colour mode.
 Minimum resolution 300DPI.
